Our Sponsorship Steward seeks sponsorship for competitions during the year. This enables us to keep our subs and table money at modest rates. This sponsorship may come in the form of cash or vouchers. As the club is striving to become cashless it is proposed that where a prize is cash it will be

credited to the winners COMPA\$\$ account at the rate equivalent to 1 playing session per number of weeks of the competition. (ie a 3 week competition winner/winners would get \$12 in their account. If the prize is a sponsor's voucher it will be given at the value stated on the voucher. Please note some sponsors sponsor more than one event in our calendar.
