GENERAL INFORMATION

COURTESY – player should maintain, at all times, a courteous attitude toward his or her partner, opponents and the director, carefully avoiding all remarks and actions which might cause annoyance or embarrassment.

SLOW PLAY – Bridge is a timed event. Players who do not keep to time detract from the enjoyment of others and gain an unearned advantage. A board not started with 3 minutes left on the time clock may not be able to be played. Director's discretion applies.

SEATING – Players should be seated 15 minutes prior to commencement of the session. Toss for seating and the winners will sit North/South - unless seating rights have been granted.

VISITORS – Visitors are most welcome to play in any Pairs event. Those who are NZ Bridge members will qualify for "C" points but not club prizes. Members who play with visitors do not qualify for club prizes. A limit on the number of visits per year may apply.

PSYCH BIDS – Psych bids are permitted in the rules of Bridge, however they are discouraged at the level of bridge played in our club.

SUBSTITUTES – Substitutes must be club members.

CLUB GRADES – Club Grades will be assigned at the beginning of the year and apply for the whole year. These may be different to NZ Bridge Grades. Members will be graded as Senior, Junior or Novice. Senior – NZ Bridge Open or Intermediate, Junior – NZ Bridge Junior, Novice – a player who has not attained a Certificate of Proficiency as at 1st Jan. New members from overseas will be graded according to previous Bridge experience.

CHAMPIONSHIP EVENTS – Seeding will be used for the final round (marked with a "#") of all Championship Events. The purpose of seeding is to balance the field so that approximately the same number of stronger players are in each field (N/S and E/W). Detailed information is on the notice board.

HANDICAPS – Handicaps are automatically calculated for all handicap events.

PAIRS EVENTS – Two session Pair events – no substitution. Three or more sessions – 1 substitute allowed.

TEAMS EVENTS – Entry must be made 1 week prior to the start of the event. Last team entered may be balloted out.

SINGLES EVENTS – To qualify players must play with a different partner each session. (Marked with an "*").
