

DRAFT "NEWS" EMAIL TO MEMBERS

LET'S CELEBRATE!

We'll have another attempt at a fitting farewell to our old building and have some memory-sharing and stories as well!

On **Friday 26 March AND Monday 29 March** Committee would like to suggest playing members (and visitors!) gather a little earlier than usual at 11.30. We can stroll over to the old Clubrooms for some photographs. Then stroll back over to our temporary abode for a cuppa and **BYO lunch and storytelling**. We will then play bridge at 1 p.m. as usual **BUT** will play straight through with no break. **AFTERWARDS** please feel free to bring a bottle of wine or your favourite tippie and we can settle in for a celebratory drink or two.

We would encourage the other playing sessions to do similarly, albeit we realise the evening people are probably not going to gather for a group photograph!

On another subject - **ALARM ACTIVATION AND SECURITY**.

Please note that on entering the building, you need to key in the code number which is on the key tag followed by **ALARM**.

On exiting the building, you need to key in that same code number, plus **ARM**.

If you access the other side, you need to do the same procedure with that code number.

Please also note - there has been more than one occasion when windows have been left open. **EVEN IF THE CURTAINS ARE CLOSED, PLEASE PLEASE PLEASE** go round all the windows and double check they are properly closed.
