

Minutes of Mt Maunganui Bridge Club

Committee Meeting held on 14th July 2026 at 10 a.m.

Present: Bernie Robinson ,Julie Sheridan, Dianne Stevens, Kay Burnie, Richard Roberts, Teri Logie

Apologies : Michele Larnder Barbara Stimson, Janice Simpson

Minutes from the last Meeting: Moved: Bernie, Seconded: Dianne

Matters arising from the minutes:

Defibrillator Training: Bernie - no luck with getting training. Suggestions were to get some old pads, and do our own demonstration, email the instruction video to members. Possibly have it running the whole session and ask members to come early to watch.

National Party: This month's meeting was another huge success. Approx \$750 profit from 13July. Thanks to all the helpers and Gilda

Car Park: Email sent about security camera. No response at all from the building manager. Teri to contact Ray (Omanu surf club)

General Business:

Treasure's Update: Janice away

Tournament Update: Lot of work goes on behind the scene for weeks before hand. And on the day itself. Entries have to be monitored continually, lists followed, more made. JIN on Saturday sorted, Norm directing and Jan scoring

Mahjong Matariki congress - they complemented us on the venue, good fun was had by all. Looked like grand central station. Verbal confirmation that we will see them next year.

Selling the old 2 Servers and 30 bridgemate: Ask Jan on Saturday if the old ones would work on the new BMIII software. Make a decision down the road.

Book Shelves and Puzzles: Need to have more shelves. Discussion on if we need so many. Yes. Talked about another shelving unit with wheels - just for puzzles. Decided on 1 meter high. Bernie proposed, Julie seconded. All agreed. Teri to buy from Bunnings

Last Thursday Session 9th July. Bernie thinks the results should be wiped, due to the new server settings (which confused a lot of members into entering wrong scores) Norm and Teri checked all scores - Compass itself highlights suspicious scores. It was agreed to ask members this Thursday who would like the results nullified and go with majority.

Original server has died, and Jan will give us a replacement on Saturday.

Not receiving Statements from Compass. Richard said he wasn't receiving them. Others have told Teri the same. To be checked by Julie

Health and Safety. Nothing to report
