Matters arising from the minutes:

We are still looking for a second hand wheelchair. It needs to hold over 100kg and have solid wheels and a seat belt.

Many thanks to Bernie and Julie for obtaining and installing the new white board. It is a great asset.

The outdoor sign has not yet been upgraded. Teri to request that it be replicated

Treasurer's Report:

All is going well. We made a \$162 profit on the raffle for the Bay Pairs and \$185 on the raffle for the Mount Multigrade.
Fun over the bridge cost \$565

Moved: Julie Seconded: Michele

General Business:

Bar Licence. Teri still investigating with the help of Richard who will bring the paperwork he has.

Lift: The service went well. Paul says that the lift will not work in the event of a fire. It will stay on the ground floor and the doors will open. If it is one our floor it will close and sink to the ground floor where the doors will open.

Defibrillator Training. No one has been in touch with us yet

Improver Lessons. We need someone to give lessons for the next stage for junior players, not necessarily every week. Bernie to approach a potential member. Michele will be meeting with Graham, Gilda and Judith to discuss Skills Night.

Thursday Evening. This has been cancelled due to lack of numbers

Building Manager. Chris Emmett has been appointed as Building Manager. We will give him the simcard for the lift.

Junior/Intermediate/Novice Tournament to be held 18th July. Posters are going out. Entries to be capped at 30 tables.
