September 2018 Newsletter

## from President Anne -

What a great day we had on Saturday for our final tournament for 2018. The 'locals' did well.

Thank you to all the wonderful people who helped before, during, or after the tournament.

You help make the task so much easier. Thanks also to Pam Clotworthy for filling in as Director at the last minute.

The air-conditioning has now been completed, thanks to Bill Farquhar, so we will be able to look forward to more comfortable

temperatures over the summer months.

Our next big event is our Christmas Party and Prize Giving, so keep

*Saturday 24 November* free.

Meanwhile, enjoy your bridging and be kind to one another.

*Anne Clarke*

## Club Captain Carol's catch up ...

To help our cleaner once a month, we would like to reinstate the upending of the chairs onto the tables. Friday players are asked to, please, at the end of play to assist with this if physically possible. Let's make it the first Friday in the month.

Shirley Knight is starting to put together our next year's programme book. We have a sheet on the top table for any changes to phone numbers etc. please make sure all your contact details in this year's book are correct as these will be reprinted.

We urgently need 5 new sponsors for our club events. If you have any suggestions please let us know. The cost is not huge maybe \$40/\$50 for just one 2 or 3 day competition so small local businesses may be interested.

Don't forget we are still looking for people who would be willing to put their name forward to go on next year's committee. Give your friends a nudge.

**Good bridging everyone.**

## some bidding gems .....

▷with a 6-CARD SUIT, bid to the 2-LEVEL by yourself.

▷with a 7-CARD SUIT bid to the 3-LEVEL by yourself.

▷when you're about to become declarer with 4 small trumps, UNDERBID

▷whenever a natural and limiting NO TRUMP call is one of your options, that's the RIGHT BID. If 1NT is one of your options, bid 1NT.

"How should I have played that hand?"  
"Under an assumed name"

## READ ABOUT A GREAT INITIATIVE FROM THE MONDAY NIGHT TEAM FOSTERING OUR NEW PLAYERS

**"PARTNER A BROOKIE' Night will be on Monday 1st Oct.** You don't need a partner, just come a bit earlier to give us time to set up the room. We will pair you up with a kind and helpful Junior or Novice, give you a GREEN PEN and ensure that you have a relaxed evening of Bridge. Helpers will be available - just raise your hand. We hope there will be a special supper provided by the Juniors and Novices .

**We plan for this to be a fun and relaxed night for all.**

One of the best ways to learn bridge is by jumping into the 'play-pen' with a friendly face to test the skills we have learnt in our lessons. We plan to use the Bridgemates for this session so we can look back afterwards and review our results."
