General Business:

Ian Glover is still working on the building management . The new building manager will be put in place soon.

We need volunteers to help man the stand at the Home Show for three days in October. Teri will liaise with Mike Newton and create a roster.

We will continue to host the National Party for the coming year but it was suggested that we raise the price for 2027.

The old microphone has been repaired.

Teri has sourced a wheelchair at a reasonable price and will check the capacity of that. If sufficient she will go ahead with the purchase.

Monday night championship will stay as is for now due to the good number of novices likely to play. The annual prize for the most improved novice will be judged on aggregate.
